NARRATIVE:

Henry Washington has an extensive adult criminal history that began at the age of 28. His convictions include multiple burglaries, robbery, being under the influence of controlled substances, petty theft with prior convictions and transport and sales of controlled substances. He has served multiple incarcerations, the longest being a 5 year term for transport and sales of controlled substances.

Washington was released from state prison to the supervision of the Los Angeles County Probation Department on August 28, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2015 after he absconded from post release community supervision (PRCS). Washington qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transport and sales of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
